
This is our “normal” layout.

For special events we can add/remove tables and change the seating arrangements.

We can host 80 people seated (e.g. cabaret style, dining, u-shape) or 130 standing (with a buffet or drinks reception).

In the corner of the restaurant we have a small stage for up to three musicians or a DJ.

There are two entries:

- Belvedere Road
- Westminster Bridge Road
  (same entrance as Marriott Hotel - under the arch)
